Dear Dr. Bins:

This letter is written to advise you that responsibility for administration of the Central Intelligence Agency Historically Black Colleges and Universities Program will be transferred to the cognizance of our Director of Equal Employment Opportunity, [redacted] effective 1 March 1982. All future correspondence on the Program should be directed to his attention.

Having been with the program since its inception in 1979, I feel that a great deal of progress has been made. A significant part of this progress has been a new awareness of the contributions and capabilities of our historically Black colleges and universities which we have brought to senior managers throughout the Federal Government. Best wishes for continuing success on the Program.

Sincerely,
